

## Heart of the Serpent (Hades Carnival Book 5)

Just when you thought the Devil had gotten his due, he's back for more. Hades Carnival, Book 5. Now that the five-thousand-year curse that kept him and his fellow shapeshifting warriors trapped in animal form has been lifted, Mordecai doesn't quite know what to do with himself. He is free in theory. Hell left its stain on his soul, and his relationship with the warriors who once trusted him is uneasy. The only bright spot in his life is Jessica, whose shining innocence he dares not taint with his inner darkness. But it's getting harder and harder to stay away from her. Jessica longs for the days she and Mordecai shared an easy friendship. Now he seems as distant as the stars. He denies there's a problem, but she's determined to penetrate his shields. Hades has been plotting his revenge from his prison. He can't harm Mordecai without harming himself. But there's nothing to stop him from wreaking havoc by hurting the one woman Mordecai would give his life to protect. Jessica. Warning: Vengeance, hot steamy sex and heart-melting romance.
