

## Best Laid Plans (Assassin/Shifter Book 5)

Book Five This book is part of a series. The men of the super-secret Skull Blaster unit have put down their weapons long enough to find love - and even husbands - from Arizona to Alaska and the Olympic Peninsula. Now their new families and friends are hoping to find their own happily-ever-afters. Werewolf Sawyer Quintons brothers have finally found their mates in the Drake brothers, Dakotas former packmates. Things get off to a rocky start but love conquers all. Or does it? Can the Drakes overcome the gay bashing they suffered at their fathers hands and be true to themselves and the men they love? Or are some lessons just too hard to unlearn? Warning: This book contains man on man lovin and a healthy dose of curse words. Sneak Peek at For the Love of Caden
