

Grave Sight: A Harper Connelly Graphic Novel

Lightning-struck sleuth Harper Connelly and her stepbrother Tolliver are experts at getting in, getting paid, and then getting out of town fast because the people who hire Harper have a funny habit of not really wanting to know what she has to tell them. At first, the little Ozarks town of Sarne seems like no exception. A teenage girl has gone missing, and Harper knows almost immediately that this girl is dead. But the secrets of her death and the secrets of the town are deep enough that even Harper's special ability can't uncover them. With hostility welling up all around them, she and Tolliver would like nothing better than to be on their way. But then another woman is murdered. And the killers not finished yet. Includes bonus material and a teaser for Cemetery Girl, an original graphic novel by Charlaine Harris and Christopher Golden with art by Don Kramer.
