

Routemaster Bus: 1954 Onwards (All Marks) (Owners Workshop Manual)

The Routemaster bus instantly recognizable as the classic red double-decker London Transport bus is a British icon, and a symbol unmistakably associated with London. Now the Routemaster receives the famous Haynes Manual treatment. This book provides a unique perspective on owning, restoring and operating a Routemaster, as well as an insight into the design, development and anatomy of this remarkably resilient machine, which saw continuous service in London for over 45 years.
