

## The Unseen (Krewe of Hunters)

San Antonio, Texas, 1800s: In room 207 at the Longhorn Saloon, in the long shadow of the Alamo, a woman was brutally murdered. Her killer was never found. One year ago: In that same historic room, another woman vanished without a trace. In the past months, San Antonio has become a dumping ground for battered bodies. When Texas Ranger Logan Raintree is approached to lead a group of elite paranormal investigators working the case, he accepts the challenge. And with it, his powerful ability to commune with the dead. In Logan's new team is U.S. Marshal Kelsey O'Brien. Kelsey has been waiting all her life to work with someone who can understand her ability to see the past. Now she has her chance. Together, Kelsey and Logan follow their instincts to the Alamo and to the newly reopened Longhorn, which once tempted heroes with drink, cards and women. If the spirits of those long-dead Texans are really appearing to the victims before their deaths, only Kelsey and Logan have the skills to find out why.
