

## Taboo II: A Pagan Erotica Anthology

Longing. Lust. Passion. Bliss. On this altar to the Goddess Ishtar, we present to you four tales of unbridled desire and toe-curling release: Under Cover of Darkness by Erzabet Bishop When Giselle is sent into the mountains to fetch an author who has missed his latest book deadline, she finds herself in the thick of trouble. After her car dies, and she escapes a pack of feral dogs, her only refuge from the darkness is a gated castle shrouded in mystery. Is the author she seeks beyond the cold stone walls? Or will she discover something elsetoo wicked for words? To Mar a Page with Words by Jason L Morrow Robert stared at the blank page, night after night. He wanted nothing more than to write, but the blank page taunted him and held him at bay. Finally, after a visit from a dark-haired woman in his sleep his dream musethe floodgates of his imagination opened and the words poured forth. Now the woman of his dreams wants to be the only one in his life. The Sultan by Ed CC Emerson After stumbling upon an Atlantean scroll (once considered a hoax by experts) in his occult bookstore, women begin to show up on Jimmys doorstep. Six women, ready to fulfill both his and their wildest fantasies, become his harem, with him as The Sultan. As their orgies heat up, they realize that the Atlantean scroll has activated. Will being given the ultimate power be as good as the ultimate fantasy? Or will it tear them apart? Blood Sugar Sex Magick by Tinnekke Bebout Angela seeks the counsel of her friend and occasional lover, Marianne, regarding her interest in seeking a Dom. She learns one of the primary members of the poly family she is involved with would be perfect dominant for her. Can she strike up the courage to ask him? And if she does, what will happen next? Grab some wine or mead. Strip off your clothes and get comfortable. Explore our offering with all your senses as we delve into the taboo.
