

Alphas Domain: A BBW Paranormal Romance (Bear Shifter Billionaire Book 3)

A billionaire polar bear shifter turns up the heat in his enchanted ice hotel. Billionaire shifter Ben Broyles is haunted by his tragic past. He creates a magical ice hotel as a sanctuary for the supernatural in a dangerous world. When the evil goblins responsible for his family's murder check in, Ben is determined to stop them from destroying all he's built. With his hotel--and his life--on the line, Ben must stop his enemies before it's too late. Sally is the curvy and capable manager of the Wondernasium Ice Hotel who thinks she has everything handled. A whole hodgepodge of supernaturals shooting fireballs in the lobby? Handled. Guests who try to eat the other guests? No problem. But there's one thing Sally can't handle: her desire for her boss. When a steamy encounter in Ben's office turns her entire world upside down, Sally has to choose if she can embrace the magic within or flee from her true self. This paranormal romance for adults includes sexy shifters, explosive magic, and a workplace romance so hot it will melt even the coldest heart. This STANDALONE novella is part of the Bear Shifter Billionaire series which can be read in any order. There are no cliffhangers, and each short ends as it should: happily ever after.
