

Amazon: Heroic Tales #1

In this issue, Princess Faith crashes to the Earth and meets an archaeologist in the high lonely deserts of New Mexico. Then they go to town to meet the locals. Also, part one of The Toho Monsters Guide to Women by Mark Finn & crew. (Are you dating a Godzilla or a Mothra?) Plus a cool cover by Bill Willingham. Heroic Tales is a black & white anthology anchored by the AMAZON feature by Bill Williams and Robb Phipps. Robb (MANTRA) Phipps illustrated the story of a Princess from far, far away and her adventures on the brave new world called Earth in this reexamination of a popular super myth.
