

A Heros Kiss: A Futuristic Erotic Romance (Pleasure Bound Book 4)

On a mission in search of their missing brothers, US Astronaut Piper Hero and her two sisters become separated after crash-landing on a newly discovered planet... Being injured and infected by sensuous swamp water isn't what Piper Hero signed up for when she agreed to search for her three missing brothers. But when she's rescued by a dangerously sexy man who makes her so hot that she can't even think straight, Piper is glad that she came. Jarod Ellis has sworn off women. But he's captivated by Piper Hero, a woman who claims to be related to the Earthmen he has vowed to protect with his life. Although he mistrusts her, she sets free a carnal inferno of needs he's never experienced during his previous life as a pleasure slave. A Heros Kiss is Book 4 in the series and takes place on a planet far away from Earth. Their ways are different than ours. Some scenes in this series include bondage, voyeurism and erotica. Reader Discretion is advised. ~ Pleasure Bound Series ~ A Heros Welcome - Book One A Hero Escapes - Book Two A Hero Betrayed - Book Three A Heros Kiss - Book Four A Hero Needed - Book Five (Book Five is loosely connected to the series) Captive Heroes - Book Six A Heros Kiss was previously published under the same title (but different series name) with another publisher.
