[Siren Menage Everlasting: Erotic Paranormal Menage a Trois Romance, M/F/M, vampires, HEA] Vladimir Trance and Dexter Templeton have been best friends and blood brothers for nearly three hundred years, but they are both lonely. They want a mate to spend eternity with but with the blood hunger riding them hard, they feel they could be a danger to humanity. That is until they meet Calista Morgan. Callie is drawn to the two handsome, muscular men but feels there is something different about them, but what she couldn't say. That is until they tell her that they are vampires and she is their mate. The two men have inadvertently put her in danger just by meeting her and have to convince her to mate with them so they can keep her safe. But the dark wizard is able to draw Callie into a dream world and she has to fight him as well as herself. Will the two vampires convince her they are worth taking a risk for? Or will she turn her back on them? \*\* A Siren Erotic Romance
