

## Where Shadows Linger (Intertwined Souls Series: Eva and Zoe Book 2)

Eva Muller and Zoe Lambros return in the award winning second novel of the Intertwined Souls Series. Eva and Zoe migrate to Australia from war ravaged Greece at the end of World War II. As refugees they try to fit into a post war society that is marred by prejudice and intolerance. Eva struggles with the ramifications of her tortured past as she tries to overcome the mental constraints forced upon her. She is unable to physically make love to Zoe without feeling the effects of the aversion treatments she was subjected to as a teenager. Eva tries to find a way to break the mental shackles but its harder than she anticipated. Zoe will never be described as a patient woman but for Eva she is willing to wait for those shackles to be broken. In the meantime, Zoe is working in a restaurant and not following her dreams. Zoes life long dream of being an artist is just a dream but Eva has a plan to make that happen even if means working at a menial, back breaking job. Shadows from their past and machinations of old enemies plunge them into mortal danger. They are about to find out the hard way that moving thousands of miles away does not protect them from those that wish them harm.
