

Collision (Hide and Seek Mystery Series)

Kari Dent is finally free. After a lifetime of bad circumstances, she is leaving her past behind. Starting fresh in a big city where nobody knows her, she is determined to make a new life for herself. Unfortunately, fate has other ideas. Though she doesn't realize it at first, a fender bender on the highway brings her face to face with the past she's trying so hard to leave behind. Marc Hennings, harboring more than one ghost of his own, hasn't been in Seattle for twenty minutes, when he ends up helping out a damsel in distress on the highway. At the same time, he inadvertently plunges himself into a nightmare that may cost him and his young son their lives. When two people whose pasts are intertwined meet for the first time face to face, love and hate collide. Evil is unleashed. Terror surrounds them, and soon they have to rely on each other in order to stay alive.
