

Highland Hills

Angela MacClough has grown up sheltered and lonely, living in a Scottish abbey after both of her parents died when she was a child. A passionate, imaginative artist, she has dreamed for years of a powerful, manly Highlander who could sweep her off her feet and carry her away. Little did she imagine that the man of her dreams would literally walk into her life one day by sheer chance and luck. But chance brought another man into her life as well a dark, twisted soul with a penchant for raping and killing beautiful young women. Will Angela survive this mortal threat and find the love she has always desired with the hulking Highlander of her dreams? Find out in *Dark Danger* in the Highlands.
