

Viking Domination

In the dead of the night, sweet concubine Tabitha is stolen from her Masters harem by the fearsome Northmen intent on revenge. With Tabitha in his control, Astrid Turgis, leader of the raiders and chieftain of his village, soon decides he wants the beautiful, innocent girl for himself. Tabitha knows that there is little point in refusing if she values her life and so she sets on a plan to give the handsome Viking everything he desires and more. Much, much more.
