

Red Dragons - Taboo MC (Taboo Motorcycle Club Erotic Romance)

When Audrey discovers that the man that raised her is the president of the motorcycle club Red Dragons, she wants nothing more than to get involved in the hot alpha club. But showing up at the bar where they hang out is dangerous, especially because she is normally forbidden from going there. She's only 18, after all. Everyone is happy to see the innocent and untouched young woman, though, and all of the club members get extra friendly with her - at least until the president arrives. When he does, he makes it clear that Audrey is his and his alone - a rule that he is happy to demonstrate for them. Of course, it is also a rule that has some wiggle room... Audrey may not be completely hands off to the rest of the club, but it's only the president that gets to take her hard, fast and without protection!
