This bundle pack includes: How to Create Your Own Freezer Meals Tips for a More Natural Life How to Create Your Own Menu Plans *** How to Create Your Own Freezer Meals

If you're tired of wondering what you're going to make for dinner, it's time to start thinking about freezer meals. Freezer meals are simple, easy-to-make meals that you can easily prepare ahead of time. When you find yourself short on prep time for supper, you can simply grab a meal from your freezer and be ready to go. This guide will show you how to quickly and easily learn how to prepare freezer meals for your family to start saving you time, money, and stress. *** Tips for a More Natural Life Are you ready to start pursuing a more holistic, natural life? Natural living is easier than ever with these tried-and-true tips. You don't need a thousand how-to guides to help you get started: you just need this one. Written by an urban prepper who also believes in healthy living, you'll discover 30 must-know tips for reducing your carbon footprint and living a more natural life even when you have kids. This is the second book in Penelope Hoyt's Homemaking Made Easy series. *** How to Create Your Own Menu Plans Do you struggle to create healthy meals for your family? Does it seem like a challenge to get your kids to eat anything new? Are you constantly trying to find new ways to incorporate different meals into your week?

If you answered yes to any of these questions, it's time to create a menu plan. Menu planning is an efficient, simple way to help your family live a more budget-conscious, healthy life. While starting to create your own menu plans might seem tricky, the truth is that it's just a few simple tips away. How to Create Your

Own Menu Plans is the third book in Penelope Hoyts Homemaking Made Easy series, designed to help moms and wives learn to manage their homes just a little bit easier. **This book contains 30 tips and tricks for making menu plans that keep your family fed, healthy, and happy.**
