Stories in this collection are: 1. Annas Day in the Park: Bondage Threesome with Double Penetration by Roxy Rhodes I'd been roped into being a bridesmaid, and as far as I was concerned, the day was wasted. I'd resigned myself to having a terrible time. But then I snuck out for a cigarette, and what happened next blew my mind. Derek lit my cigarette, and then he and Jack lit my whole world on fire. 2. Cassies Christmas Surprise: My First Bondage Threesome Sex Story by Joni Blake Most of the time I was afraid of my boss. But when she practically ordered me to come to the company Christmas party, I was almost petrified. I would be out of my element, and I thought it would be horrible. But I went, and boy was I wrong, about everything. 3. They Caught Me Watching: A Hot Threesome Erotica Story by Janie Moore My name is Susan. I am rich, beautiful, and have a handsome husband who is away on business most of the time, and when he is home he doesn't meet my sexual needs. So I am alone and horny. Everything changed for me one day when I happened to see a sexual encounter between my next door neighbor, Tami and the pool boy on their pool deck, outside, which I have a clear view of from my back

porch. What I intended as just a little self pleasure while watching them turned into the most incredible afternoon of my life when they caught me watching. 4. Sharing The MILF: First Double Penetration Threesome by Dawn Devore My son had decided to spend the weekend at college, and while I miss him, a quiet weekend alone would be good for my soul. So when the doorbell rang Friday night, I had no idea who it might be. When I opened the door to two of my sons friends, to say my weekend plans were going to change would be an understatement. What happened next rocked my world in ways I never thought possible. 5. Claires Hot Tub Threesome: MFM Double Penetration Threesome by Anna Wade I never had a threesome before. So the last place I wouldve thought to have one would be at an empty hot tub at a public pool, but here I was having sex with two friends and loving every minute of it.
