

Mated and Blooded 2 ((Mated and Blooded 6 Book series) (Erotic Romance))

An alien race known as Retipujians has struggled to reproduce for centuries by persuading Earthlings using unique sexual methods. The orgasmic effect such techniques have on the Human species is undeniably erotic! Their cycle is to mate with their intended then blood them for the final deed, creating a passionate romance that lasts till death! Humans are no longer Earthlings, but have become Sexlings! This is the continuing journey into the secret world of visitors from Retipuj, a peaceful race looking to enhance their species by mating with Earthlings. When a Retipujan mates with a Human, it is for life. But after the mating ritual, it gets much more interesting as the bleeding causes them to evolve. To be a Retipujan means: empowerment of strength, mind delving, and every sexual desire is heightened to a peak no human could resist. Kimberly sets a standard for the sexually abused women at her workplace and claims her mate as well. Trevor ignores the allure of seductive nymphomaniacs in order to save his lifelong mate, who unwittingly deceived him. After sensing Vanessa in the healing pod, Joshua's love for her may not be enough to overcome her emotional distrust. Matthew isn't ready to open himself, but his intended mate's power over him draws him closer! Will bereavement for his last mate stop him from finding true love?
