

Hotwife at the House Party

Every night, a wonderful transformation takes place in Brad's life: his smart, charming, successful wife Amy takes off her work clothes, puts on her makeup, and becomes DiDi Crass, the sex-addicted porn star! Brad loves his wife very much, and does everything he can to make her happy. Sometimes that means selling her body to a house full of horny frat brothers...so that's just what Brad does! Soon DiDi's right where she wants to be: used and abused in every hole, while her loving husband looks on and flirts with the sorority girls. *Hotwife at the House Party* is a work of adult fiction including themes of swinging, cheating/cuckolding, dom/sub relationships, group sex, and much, much more. This work is intended for adults only.
