Kindle Publishing Package - 3 Books for the Price of 2! Want a discounted price on THREE different eBooks? Here's what you'll get with this Three book package: How to Attract a Boyfriend: The Magnetism of Love. Life is all about the choices that you make and the relationships that you form. You can't be happy without being honest, open and making connections to others. It's not as hard as it seems. If you have been single for a while you may feel hopeless or depressed but please don't. Hopelessness and sadness are simply NOT sexy. They are basically man repellant. The real way to get a man is to let him see that you don't NEED him but that you want him. Are you sick of being the only single girl on Facebook, at parties or in your circle of friends? Do you want to change your relationship status and your life? Everyone wants to have someone to share their life with; the joys, the failures, the highs, the lows. Life is just more fun with someone by your side. A partner gives you perspective; teaching you new things and helping you to see the world through new eyes. Human beings just aren't meant to be alone. I Still Do - Bring Back that Spark, Save Your relationship and Rekindle the Flame. Forever Relationships are essential and magical parts of our lives that we need to nurture and cherish. But along the way, many of us hit speed bumps that make us question whether the connections we have are genuine and worth saving. We often find ourselves at a loss, not knowing whether what we do will help or hurt us. Luckily, there are different ways to get your relationship back on track. This book will help you understand that different factors that often cause relationship problems, and what kinds of behavior cause distance between ourselves and our loved ones. This book will also give you great gift ideas, and will help fire up your creativity for setting up the perfect date in order to bring the love back into your

relationship. Getting him to propose: Getting Him down on one Knee and Popping the Question Getting Him down on one Knee and Popping the Question : How to Get Your Guy to Propose Here Is A Preview Of What Youll Learn... The fantasy of marriage is not always the same as the reality and men are often scared to commit because they have a more rational view of what it means to be married. Its not all white dresses and big diamonds. Men know that they will have to provide for you and want to do the best that they can for you and a future family. They are afraid of failing or being compared to other men. If you want a man to commit to you, your best bet is to be independent, realistic, and not to ever PUSH him to do something he doesnt want to do. Would You Like To Know More?
