

How To Cook Good Food That Gets Her In the Mood (For Married Men) (John Alanis Women Approach You Series Book 9)

The Ultimate Aphrodisiac! How Any Man Can Cook Good Food That Gets Women In the Mood Whats better than pheromones? If youre a single man whod like to attract women (and get them in the mood), then listen uphave I got a deal for you. Believe it or not there is a primal link between preparing, cooking, and serving food to women and strong feelings of lust on her part for you. Serve the right food cooked the right way to the right woman at the right time and you are in for the night of your life. Its better than learning how to cook everything. Forget ordinary cookbooks for men, this is something new, something completely different. My name is John Alanis, and for the past 8 years I have shown all kinds of different men how to attract the women they really want, no matter their looks, age, income, social status or past failures with women. One of the biggest problems I hear from my students is, il just dont know how to get her in the mood.i There is good news. When you know how to cook for women in a way that turns them on, you can get any woman in the mood quickly and easily. Also, youll never be at a loss for date ideas, and youll be admired and respected by women for your skills in the kitchen, even if youre at a cooking for beginners level when you start. I recently commissioned Hilary LiDestri, a woman with impeccable knowledge of what food turns women on and how to prepare to write all her secrets down in a cookbook written especially for single guys. What she shares is nothing short of amazing. Here is what is revealed in this one of a kind cookbook for men: The three things you must do before you even think about cooking for women The 11 essential spices that drive women wild How to cook food for men women love too How to prepare the right appetizers the right way Picnics: the ultimate mood setter Mood inducing food and wine pairing secrets revealed

The 11 side dishes that add fuel to her fire and much, much more. When you follow these recipes, you cant help but impress the woman youre cooking for, leading from the table to the bedroom. Also, you get access to the bonus video series that reveals step by step how to attract the women you really desire. Consider this: you can keep boring women with run of the mill dates, hoping to somehow get lucky OR you can put these quick and easy cooking secrets to work for you to get the women you really want to want to the things you really want Click the orange buy button right now to claim your copy of this cooking for two book, and you too can finally start attracting the women you really want.
