

# How to Do Everything with Microsoft Office Live

Get your e-business started with ease and quickly boost sales and productivity with help from this hands-on guide. How to Do Everything with Microsoft Office Live explains how to harness this all-in-one service to create and maintain a dynamic online presence for your business. Learn how to set up a commerce-driven website and take advantage of free hosting, website statistics, personalized domain names, and e-mail addresses. You'll also discover how to get the most out of the project management, communications, inventory, and accounting tools available in Microsoft Office Live. Create a professional, e-commerce website for your business. Improve communication using the e-mail and time management functions. Promote your site via search engine optimization. Create an employee workspace to share contacts, calendars, schedules, and other business applications. Schedule and manage projects. Track your assets and inventory. Make it easy for customers to find and purchase your products. Manage and store documents and sales collateral. Create and run an eBay business with Office Live. Streamline accounting and business administration tasks.
