

Space Feeding: (A Sci-Fi Serial, First Time, Adult Nursing, Older Man Age Difference, Erotic Punishment Short Story) (Hucow Adventures Book 2)

He could smell the luscious scent of fresh cream... The year is 2032. The Captain of the spaceship Voyage to the Milky Way gets hot and hungry after he finds out the Russians are catching up. He takes out his anger by spanking his hucow Samantha, then takes her hard and fills her up while enjoying a milky afternoon snack. And nurse Doris has taught Samantha some naughty new tricks you'll be salivating over. Then we go back to Earth and find Dr. Lechon training another hucow, innocent coed Heidi. He has to lure her away from home so he can give her his famous lactation injection and sell her to the Russians. The whole galaxy is going crazy with the thirst. Click on the cover above for a sneak peek. Then buy your ticket to the creamiest space race in history (or the future!) now, because this rocket is taking off today. You know Jezebel always delivers the milk fresh and on time!
