Tired of hiding, she decides to settle down in sweet suburbia. But forget the quiet life, meet Hunter, Suzies hot next door neighbor. Masquerading as a private eye, Hunter is much more than he seems. Hes whats known as a tracker, and the magical realm he comes from has sent him on a quest to keep his worlds existence secret. A real ladies man, Hunter cant understand his attraction to the cute mom next door, but when danger comes knocking on her door, he does everything he can to save Suzie and her kids, even if it means his life. A vengeful exboyfriend and a predatory shapeshifting dragon are nothing though when compared to the more frightening battle taking place in his heart.
