

Hypnotized, Whipped & Emasculated by the Woman I Love!! (Hypno Sissy Feminization Sissification BDSM Humiliation Cuckold Romantic Erotica) (Hypnotized, Sissified, Whipped & Humiliated Book 4)

Slap, slap, slap! Each time my girlfriends lover spanked me, I winced and my anus reflexively tightened, increasing the exquisite pressure on his dick. The fireworks of pain began to mingle with the pleasure that was spreading from my prostate to the rest of my body. It was totally different from male arousal more subtle and gradual. Before I felt like a sissy slut, but now I felt like a real woman. A little more of this, and I was going to come. James Batemans relationship with his girlfriend, Tess, is going so well that he thinks of her as his fiancée even though he hasn't popped the question yet! One day, after getting some phenomenal head, he decides to drive to the mall and purchase a ring. On the drive there, he listens to a mixtape Tess made him... and that's where things start to get weird. Under the influence of psychoactive binaural beats embedded in the music, he undergoes an extreme shift in personality. A repressed, feminine side of him takes the reins. Suddenly, he finds himself fascinated by sexy clothes, jewelry and makeup. When James arrives home, Tess has transformed into a whip-wielding dominatrix eager to inflict pain and erotic humiliation and he's only too happy to follow her orders. After whipping and insulting her boyfriend, she introduces her secret lover, who's eager to take his sissy ass for a spin. In the story's erotically-charged climax, the utterly transformed James gets spanked and taken from behind by the muscular hunk while his girlfriend watches, directing the action!
