It really must have been pretty disturbing for Mrs. Fillion- mother of the Canadian comic artist Patrick Fillion-when she first discovered what kind of drawings her son creates. Most likely she thought something like What the heck is wrong with the boy?A - but thats luckily not our cup of tea. We just pick up his new, masterfully drawn work, close the door behind us and take a trip into his great n horny cosmos, where fabulous superheroes save the universe by using their giant cocks as weapons. Forget about comics, dude-and better get ready for iLUStrations.
