

An Omega for the Beasts: The Lab of Erotic Horrors

April Andrews usually writes erotic romance, but for this book she has focused more on the erotic than the romance. If you're offended by the idea of a submissive omega trapped in a lab with three dominant, alpha beasts then this book is not for you. If, however, you like the idea of what happens when that submissive omega has to find his way through the lab, past those beasts and out the other side then read on...
