

Faery Queen (Realm Immortal Series Book 2)

Realm Immortal: Faery Queen Fantasy Romance It is ill-advised to incur the wrath of a faery, but it is most foolish to do so of a faery queen At first sight, Queen Tania of the Faeries knows that Hugh, Earl of Bellemare, is her one true love. Yet a year has passed since he promised to return, and now she knows he never intended to come back. With her mood darkening and her castle tarnishing, Tania vows to teach Hugh a lesson hell never forget. That no human should dare deceive a faery queen. In her despair, she turns to King Lucien of the Damned, and swears a blood vow that risks the fate of all the faeries and Hughs soul. Suspicious of the magical world, Hugh wishes hed never discovered the truth of what was beyond the mortal realm. Noble duty consumes his time but not his heart. He lost that to the seductive Queen Tania, who surely wanted him only as her plaything. Despite his vow to forget the teasing nymph, she haunts his every thought. When he finds himself kidnapped by the demon king and back in Tanias arms, Hugh cannot resist her charms. But with his familys safety at stake and the land at war, he must return to his home. Even if it means destroying Tanias life. In a war-ridden land, destiny rides on the wings of a faery queen and on the will of an earl who refuses to acknowledge their love. Warning: This book contains hot sex, violence, a castle full of amorous faeries, a vengeful queen succumbing to her darker thoughts and the human she would make her plaything.
