

Her Winged Viking: A Paranormal Romance (Her Elemental Viking Book 3)

ATTENTION READERS: This is a sexy SHORT novella. Bite sized for your reading pleasure. Magic and passion ignite when best friends finally come together. Over a thousand years ago, a witch hexed a family of Viking warriors, each with one of the four elements. They live with these curses today, doomed to suffer for their past crimes forever. Erik is a dashing con artist, playboy, and immortal Viking cursed to carry the burden of unwieldy, broken wings. Tired of living on the run, Erik settled down to work at a small theme park and stay out of trouble. And if part of that choice was that it allowed him to stay close to the one person in the world he cares about apart from himself, his best friend, Siobhan, he's not ready to tell her. Sarcastic, efficient, and beautiful, Siobhan is an immortal leprechaun who works as the Chief Financial Officer of a small family-owned theme park, the Winter Wondersium. She would do anything for her oldest friend, Erik, including hiding her feelings to protect him from the forces who hunt her. But when an illicit scandal at the park threatens Erik and Siobhan, they have to decide what's most important: freedom or love? This mature romance involves horny immortals, a matchmaking bartender, and a romance powerful enough to soar. This STANDALONE novella is part of the Her Elemental Viking series which can be read in any order. There are no cliffhangers, and each short ends as it should: happily ever after.
