

It Wasnt Me!

This sequel to *Who Stole the Gold?* is another picture book whodunit. This time, Ferrets luscious raspberries are missing. Mouse is sure he knows just who the culprit is; Raven stole Hamsters gold, so she must be guilty. But Raven vehemently denies it and sets about unmasking the real thieves--a colony of ants who carried off the delicious berries. All ends happily, with everyone feasting on raspberries thanks to Ferrets generosity, having learned about the dangers of jumping to conclusions.
