

iZombie Vol. 1: Dead to the World

Told from a female zombie's perspective, this smart, witty detective series mixes urban fantasy and romantic dramedy. Gwendolyn "Gwen" Dylan is a 20-something gravedigger in an eco-friendly cemetery. Once a month she must eat a human brain to keep from losing her memories, but in the process she becomes consumed with the thoughts and personality of the dead person until she eats her next brain. She sets out to fulfill the dead person's last request, solve a crime or right a wrong. Our zombie girl detective is joined by a radical supporting cast: her best friend Eleanor, who happens to be a swinging 60s ghost, a posse of paintball-blasting vampires, a smitten were-dog and a hot but demented mummy.
