

Sandman Mystery Theatre (Book 4): The Scorpion

Writer Matt Wagner's acclaimed reimagining of the original Golden Age Sandman, SANDMAN MYSTERY THEATRE: THE SCORPION finds Wesley Dodds still driven by his dreams to fight injustice in the dark of night while trying to make sense of a world slipping into the madness of war. Taking on a twisted anti-capitalist vigilante wielding a poisoned whip, Dodds finds himself closer than ever to death -- and to revealing his secret life to his paramour, Dian Belmont.
