

Tease Me (Semper Fi Marines Book 1)

USA TODAY Bestselling author Melissa Schroeder returns with the much anticipated Santini spin off series: Semper Fi Marines. A man who thinks he has what he wants. Bran Johnson always knew he wanted to be a Marine. What makes it even better is longtime gal pal TK is now stationed at the same base. Unfortunately, Bran is having a hard time dealing with his feelings when he realizes that TK is considered a hot commodity on base. Worse, he finds himself taking a backseat to her admirers. A woman who always wished for more. Tess Keller has loved Bran since they were in high school. The former football captain always treated her like a friend so she tried to move on. Unfortunately, he's in her business constantly now. One passionate argument leads to more than either of them expected. Tess knows it isn't going to last because Bran is never going to settle down. So, to save face, she suggests they stay friends, only with the side benefit of being sometime lovers. A Marine determined to win at all costs. Bran agrees to the friends with benefits idea just to keep himself close to Tess. She might think he's not around for the long haul, but this is one Johnson brother who knows exactly what he wants...and just how to get it. And what he wants is Tess in his bed and in his life forever. Nothing will stop him, not even Tess herself. And don't miss out on the series that started it all: THE SANTINI LEONARDO MARCOGIANNI VICENTE. Coming soon. A Santini Christmas. Semper Fi Marines: Tempt Me. Semper Fi Marines: Touch Me.
