

Implementation and Application of Functional Languages: 17th International Workshop, IFL 2005, Dublin, Ireland, September 19-21, 2005, Revised Selected Papers (Lecture Notes in Computer Science)

This book constitutes the thoroughly refereed post-proceedings of the 17th International Workshop on Implementation and Applications of Functional Languages, IFL 2005, held in Dublin, Ireland in September 2005. Ranging from theoretical and methodological topics to implementation issues and applications in various contexts, the papers address all current issues on functional and function-based languages.
