

Mating Kumiko (Gargoyles of Cuchulian Book 4)

Graden Huzza orders him to meet a psychic who may be able to help them locate the missing McDarmund tribe. Hes pleasantly surprised to discover that the small human is his mate, especially since hes spent the last two centuries searching for her. It doesnt bother him that her eyes are violet, shes only eighteen, or that she has visions. But Kumikos mother doesnt believe hes a gargoyle or that her daughter is his mate. The first is easy to prove, the second is a bit harder. Kumikos never been attracted to big, bad biker types, even if she does like motorcycles. But because she normally suffers from a vision any time she touches an object that isnt her own, she believes Graden when he tells her shes his mate. After all, if she cant get a vision from her own stuff, it makes sense that she doesnt get a vision from the man whos destined to be a big part of her future. But her mother doesnt believe and gives him an ultimatum, one a two centuries old gargoyle will find incredibly difficult to follow. No sex for two months, while suffering from the intense mating attraction? Will Graden agree to her mothers demands? Or wash his hands of Kumiko?
