

Smart Ass: Close Quarters

Turner and Turner: One Good Turn When his parents get a gander at the sex tape sent by a blackmailer, they offer Kendall Turner a few weeks of rest in a cushy clinic. No, he says, and hotfoots it across the lawns of the family estate. KT isnt his own worst enemy anymore; theres a new candidate for the title. Suddenly, Kendalls on the lam, trying to outrun a murder rap. Helping - by locking KT naked in their motel room - is his cousin Turn. KT has some issues: he manages to censor himself only when he lies, hes been in love with cousin Turn since forever, and he really would rather kill himself than get more rest at another clinic. The Men of Smithfield: Gobsmacked Mark Meehans impulse control takes leave when he finds his bank manager, whos also his boyfriend, in bed with another man. Volatile Mark sets out to chase down his money and patch up his pride with the help of rock-steady state trooper Tony Gervase. But, Marks impulsive scheme for revenge infuriates the wrong people and jeopardizes Marks budding romance with straight arrow Tony.
