

International Economics: Theory and Policy plus MyEconLab plus eBook 1-semester Student Access Kit (7th Edition)

This text comes packaged with an access kit for the new easy-to-use format of MyEconLab, which requires no set-up by the professor. With this, students can access practice problems for each chapter in the book, graphing questions, learning resources, and live tutoring. Professors who plan to use advanced course management online should order the book with MyEconLab in CourseCompass. View Alternate Versions of this book on the web catalog page, or contact your local representative for details. International Economics captures the vitality of modern international trade and finance. A classic textbook by world-renowned authors, the Seventh Edition is comprehensively revised and updated in a new, full-color format. Each half of the book contains a core of theory chapters followed by chapters applying the theory to major policy questions of the past and present.
