

Basic Legal Writing for Paralegals, Second Edition

Tailored to the specific needs of paralegal students, **Basic Legal Writing for Paralegals, Third Edition** offers a modern approach to effective legal writing. The authors provide comprehensive coverage in a readable, accessible format.

Focused exclusively on legal writing material relevant to paralegals, **Basic Legal Writing for Paralegals** provides:

- An overview of the legal system that contextualizes the different types of writing covered in the text
- Step-by-step instruction on the writing process, leading students through each stage of legal writing, from prewriting strategies to revising
- Thorough coverage of the IRAC method, how to synthesize cases and authorities, legal memoranda, persuasive writing, in-house and objective client documents, and letters
- A practical approach that focuses on the paralegals actual role in the law office
- Excellent pedagogy for students, including examples, exhibits, expert writing tips, exercises, practice tips, ethics alerts, and web resources
- Detailed subheadings that offer quick access to topics
- Helpful appendices on citation and sample legal memoranda
- An in-depth Instructors Manual with sample syllabi, sample tests and memos, as well as discussion topics and in-class exercises

New to the Third Edition:

- A revised chapter on **Case Briefing** is more accessible and now includes additional exercises on briefing cases
- Websites are updated throughout
- New Net

Notes and Practice Pointers keep the book fresh and up-to-date. The updated citation appendix reflects the 18th edition of the Bluebook and the 3rd edition of the ALWD Citation Manual and includes new citation exercises.
