Different ways to invest in Gold and Silver like bullion, commodities or stocks. What the Insider secrets are to buying Gold and Silver. How to make money on Gold and Silver. This is all necessary and good information, but not what you will discover inHow to Buy Gold and Silver Bullion without Getting Scammed. Instead this book focuses on: How to Buy Bullion without Getting ScammedDiscover and Learn: How to Spot Fake Gold and Silver Bullion How to Tell if Youre Getting Conned The Tools and Tests You Need to Avoid Fakes What Scammers Do and Say to Cheat You? 13 Ways to Prevent Getting Taken The Pros and Cons of Bullion Investments How to Get Your Money Back if Youre Conned The Pros and Cons of Storage Options ALSO INCLUDES: resources, glossary, weights and measures, and an about author section Now ask yourself, How Well Your Investment Will Turn Out if You Buy a Fake? At current bullion prices, any profits could disappear. And this doesnt include wasted time, hassle, and embarrassment of dealing with crooks and the police to get your money back. Having this books information is a small price to pay to help ensure you are getting the gold or silver your investing in. This is the main step to ensure your investment has the best chance of working out. Now Why Should You Believe Me and Buy this Book? The main reason is I have over thirty years of sales and investment marketing. In this time I have meet plenty of buyers and sellers of financial investments, some honest and pleasant to deal with, some charming, but not so honest. As a result I have seen, heard, and experienced almost every trick that a cheat, con or scammer uses to steal

peoples trust and hard earned money including mine. So this isnt the phony, buy this stuff now and you will be a millionaire in 5 minutes advice. This information comes from dealing with and suffering burns from societys cheats and con artists who are too lazy and greedy to make an honest living. Added to this experience are the methods bullion scammers use to create fake bullion and what you can do to spot it.

I hope you not only buy one of the books that explains the how and why of bullion investing, but also this book to ensure your bullion has a chance of making a profit. I Hope You Wont Think, That This Wont Happen to Me This is because according to current estimates more than 30 million people in the United States fall victim to some form of financial fraud. The estimated cost is a staggering \$50 billion yearly and rising. The real cost is much higher because most victims dont report their losses due to embarrassment and shame. So lets make it harder for scammers to take your hard earned money and trust from not only you, but also from your family and friends who I hope you will share this information with.
