

# iPad Companion: Making the most of your iPad

You just got your hands on a brand new iPad. Its beautiful, powerful, and capable of all sorts of life-changing feats of magiclets just say its much more than a big iPhone. So where to start? Let the TidBits, the most-respected group of Apple authorities assembled outside of Cupertino, show you the way. Youll start your journey with a introduction to all thats new. Then youll learn how to enjoy all forms of media on your iPad, including music, video, movies, and books from Apples iTunes and iBooks stores. Next youll meet the new Apple productivity apps and move through a whole course on getting work done with your iPad, and youll also learn how to keep your iPad online, fully-connected, and secure. Youll end your journey with a thorough troubleshooting guide to tackle any problems you may have encountered along the way. What youll learn How to maximize your use of the iPad for both work and pleasure How to utilize the full array of Apples touch gestures How to use the new productivity apps and user interface features How to do more with your iPad than you thought imaginable Who this book is for Every iPad owner!
