

# Independent Guide to the iPhone 4S

If you've just bought an iPhone, this fully updated MagBook from the team at MacUser is your ideal companion to mastering Apple's most desirable phone. Providing tutorials to help you master your phone easily and covering every new feature and development, this MagBook gives you all you need to optimise your phone's great features, applications and multi-media add-ons. Essentially, this is the user guide Apple forgot to include with the iPhone!
