

7 Mistakes that Can Wreck Your Wisconsin Auto Accident Case

From 7 Mistakes that Can Wreck Your Wisconsin Auto Accident Case: The goal of this book is to help you avoid the landmines that could damage your case. Simply put, we want to help you avoid being injured twice — once in a car wreck and then a second time at the hands of an insurance company. This book is intended to be a consumer guide, not legal advice or a technical discussion of the law. We view this book as a legal first aid kit for drivers and passengers of automobiles. Like a first aid kit that you keep in your car in case of emergency, we hope that you will read this book and keep it with your first aid kit, so that you can refer to it if the need arises. In the case of understanding how to respond if an accident occurs, an ounce of prevention can save pounds of grief. - Lee Atterbury, Alex Kammer, and Eric Haag
