

Israel from the Air (World from the Air)

A glorious full colour journey over Israel, Palestine, the Holy City of Jerusalem, Galilee, the Dead Sea, the Red Sea, the Negev Desert, the Golan Heights and the Mediterranean coast. You see so much more from aerial photographs than a land traveller ever sees, and even the images of cities and suburbs tell you something unique about the environment. The images of mountains and coasts and ancient heritage sites are simply awe inspiring from this perspective. The World From The Air series gives a new perspective to traditional travel literature, with big, full- and double- page, full colour photographs showing views hardly even seen by tourists. Great value for money - large format full colour coffee table hardback, weighing over 2 Kilos and retailing at just [GBP]18.95 White Star: Italian-based creators of international high quality photographic books on history, art, geography and nature.
