Author Vivien Sparx has done the seemingly impossible by penning a new series that features all the alpha-male, BDSM sex female erotica readers go weak in the knees for, but also features enough hard-fisted hand-to-hand combat and bullet-blazing gunplay to satisfy male action junkies. - Mark Allen Jack Stone reminds me a little of Jack Reacher, the hero of so many Lee Child

Bestsellers. Jack Stone and Jack Reacher are very different characters with a lot of the same qualities. - Tyler Redge Vivien Sparx has created a Jack Reacher kind of character and yet made Jack Stone very different to Lee Childs Jack Reacher character.
