

Tainted (The VIP Room) (Volume 2)

Kaden Cross had it all: money, fame, and women, but he lost it all in one night. One night that would forever change him. Forced from obscurity and into the limelight as the lead singer of the band Mouth2Mouth, Kaden returns to the lifestyle that almost destroyed him. The last thing he wanted was to find a sexy drugged out redhead waiting for him in his bed. Finding out that shes the victim of a sex slave ring, puts Mouth2Mouth in peril, because the only way to save the woman hes started to love, means denying her the one thing she wants the most. Freedom. Sawyer has had one dream her whole life, to escape the smothering love of her mother and a life of poverty. Her goal was just within her grasp when her world is turned upside down. Kidnapped and drugged, she is given to a man she knows nothing about except that he holds her life in his hands. One night, and two lost souls with tainted lives, find a love strong enough to reveal a secret that just might kill them all. This work of fiction is intended for mature audiences only. All sexually active characters portrayed in this ebook are eighteen years of age or older. Please do not buy if strong sexual situations, moderate violence, multiple partners, domestic discipline, death of a child and explicit language offends you.
