

## Alphas Mate (Denver Pack Book 1)

In book one of the Denver Pack: Quin had moved to Denver to establish a pack. He figured he would never find his mate, unless he went back home, to Europe. However the fates had something else in mind when a human woman shows up at his office and turns out to be the mate he has longed for. Cami had never dreamed there was Werewolves until she is told she is the Alphas mate. She still had a hard time believing even after shown it was true.

Eventually, Cami faces the facts and goes with it because she has made adjustments her whole life. Then just when she thought she could deal with it, she finds out she has two werewolves as mates. She hadn't signed up for that, she was supposed to be a boring bookstore owner. Jaden comes to Denver to visit his friend and start his own pack nearby. His friend, Quin, takes him home to meet his mate that he just recently found. Jaden upon entering the apartment realizes that his own mate is there. His plans for his own pack are quickly crushed. The three were destined for greater things. If only the Rogues wolves didn't know that, too. The journey with the Denver Pack starts here. Warning: Contains sexually explicit content. Menage (MMF)
