

Jinnrise Volume 1 (Jinnrise Tp)

International student Andrew Marcus world is torn asunder when interstellar forces, the Kibrani, invade earth. With all hope seemingly lost, humanity's last chance may be a long-despised and forgotten race: the Jinn (otherwise known as genies)! But are they our hope... or greatest fear? Combining the best of summer blockbuster fare and quest myths, Jinnrise is a modern re-introduction to global myth.
