

Vienna Bonbons

Vienna Bonbons A little history. A little romance. A lot of chocolate. Apprentice chocolatier, Josef Mueller, falls in love at first sight with the enchanting Sofie Hansen. He determines to win her love by crafting the most delightful, delectable bonbons the world has ever seen. The youth is certain that his bonbons are so full of magic, if Sofie bites into one, she'll be his forever. But when the young woman receives the magical bonbons--- delivered by her unidentified admirer---she finds them too beautiful to eat. This bittersweet story of enduring friendship, hardships suffered, and love lost and found plays out against the backdrop of Vienna during the reign of the Emperor Franz Josef I, the Empress Sisi, and the Waltz King Johann Strauss, Jr. A Reader comments Vienna Bonbons is a confection of a story! While you are immersed in the words, your mind hears the strains of Strauss waltzes, polkas, and mazurkas, and you can practically taste the chocolate. Next time I re-read this tale, I'll be listening to Strauss and drinking cocoa, and I'll have a box of candy within reach. --- C.L. Heitmann A note from the Author I developed this novella from the back story created for our ballet performed to Johann Strauss, Jr.'s Vienna Bonbons. I hope you enjoy it! --- Rebecca Radley
