

Johnny Caronte Volume 1: Zombie Detective & The Revolver (v. 1)

This is the story of detective Johnny Caronte: a story of mobsters, hitmen and femme fatales. However, the characters in this dark tale have a peculiar trait - they are zombies that can only die by a bullet to the head! In The Revolver, a weapon from one of the most ancient and powerful creatures of Hell has been stolen. The thief, Monica, is using it to kill demons in order to collect their souls and sell them to the Witch of Barcelona. With this new weapon, Monica holds great power, but hasn't yet learned the gun's full potential. She'd better find out fast, because Hell has sent a renegade demon to recoup the stolen gun.
