New Adult Bad Boy Bundle (6 in 1) Book One: Shifting Fates Claire's boyfriend just proposed and though she was flattered, marriage was the last thing on her mind. She was only 22, carefree and not ready for any commitments. There was nothing or no one that was going to change her mind, until she met the dark and mysterious man from England in a whirlwind adventure. Life will never be the same when she realizes that no matter how much she tries, she has no control over fate. Book Two: Playing with Fire 22-year-old Mia was dreading going to the UK on vacation. After all, why would she be pleased about leaving Idaho, USA? The whole trip had been planned around her meeting Tyler her soon to be stepbrother. Her mom Rachael and Tyler's dad David had planned the whole trip to Newquay in Cornwall; even the name didn't excite Mia. Her opinion changes though once her green eyes fall on Tyler. He's 6 with pale blue eyes and a muscular body. Mia, being the fiery redhead that she is speaks her mind when she first meets him. Tyler isn't discouraged though in fact quite the opposite. Their dilemma soon becomes apparent. They're attracted to one another in a whole new way than just as stepsiblings. Book Three: Betwixt Alistair. A quiet and reserved guy who is afraid of what people will say about him. Lawrence, his friend and roommate encourages him to be himself. Will he ever accept himself for what he truly is? Can Kelly, their new, hot girl roommate, change his psyche? Or will he hold back when he sees and relives his old feelings for his old best friend Robb? Book Four: Bagging the Billionaire 2 Bagging the Billionaire: A Sequel continues the story of one, Nathaniel Gates, a charming billionaire who truly has it all. Though he was once a known womanizer, he now he finds he has something amazing he never imagined he wanted at all-- a meaningful relationship. Despite his strong belief that

ones business and personal lives should remain separate, he crossed that boundary when he met and fell for Velma. This romantic story explores how the woman who was meant to be his new assistant instead became his new girlfriend through meaningful conversation, exciting feelings, and sexy fun. But when things seem to be going perfectly well in their relationship, trouble comes up in the most unlikely manner from a very unexpected source. Despite all the difficulties the relationship faces, including a possible dalliance on Nathaniels part as his reckless way of buckling under the pressure, the pair realize they are both in the relationship for the long haul. Book Five: Fever More than one hundred thousand hungry souls sat waiting in the darkness for just a spark, something to quench their insatiable desire for the goddess of flame--that fiery temptress that consumed their senses. She appealed to not only the most carnal desires of lust and love, but also the human desire to aspire for more. She inspired the heart and moved the body. Book Six: Snow Fall Sebastian Lesueur, extraordinarily handsome, billionaire has more than a few secrets. His passion for women keeps him moving between his many mansions all over the world. After centuries of different lovers, hes never found one he wanted to keep with him for the eternity that is his to live. Though a fairytale life on the outside, he lives a lonely existence. While staying in New York, he finds a woman who intrigues him more than any other ever has. Snow Sinclair is a savvy business woman and has no intentions of giving in to the well-known playboy. Her determination to keep him only as her client proves harder for Sebastian to penetrate than he imagined. What she believes is only a lust for her proves to be much more than Sebastian ever thought possible for his eternal life. If only he could get her to agree, for she would not be one he takes or transforms against her will.
